

The Don'ts

- Stay home if you're feeling sick and don't play with anyone who exhibits any signs of illness.
- Do not come to the courts for 14 days if you've just returned to the territory, or if you've been in contact with someone diagnosed with COVID-19.
- No drop-ins or open play is permitted.
- There shall be no gathering outside of the front gates or on the courts.
- Don't gather in groups and remember to keep 2 metres (6 feet) apart.
- Do not share equipment with your playing partner or others.
- Do not use the benches at courtside.

The Do's – Have Fun

- Bring your own water.
- Play only with family members, person living in your household or individuals you believe to be low risk.
- All players must pre-book court time. There is no open play or court monitors.
- Wash your hands with soap and water before coming to the Mt Mac courts and bring your own hand sanitizer with at least 70% alcohol and use often.
- Arrive at the scheduled booking time and go directly to the **assigned** court upon arrival. Don't swap courts.
- Avoid touching door handles, gates, benches and all other objects where the virus could survive. If you touch something, make sure to sanitize the surface you have touched.
- Games will be played at designated times with a 15-minute gap between play times to allow for nets to be erected and dismantled so there is no overlap of players on the court at the same time
- Stay on your side of the court and avoid changing ends.
- Use your paddle or foot to send your playing partner's ball to the net or other side of the court.
- Avoid all physical contact, such as shaking hands or tapping paddles with other players.
- Avoid touching your face after manipulating a ball, paddle or when you hit the ball to another player.
- Each player must use his/her own pickleballs, clearly marked as their own. Whoever is serving uses their own ball. Other players can pass back the ball to the owner by only using their paddle or foot.
- Keep 2 metres (6 feet) away from everyone who is not a member of your household.
- If you cough or sneeze, do so in a tissue or in your sleeve.
- Leave the court immediately after you finish playing
- Use hand sanitizer before and after opening and closing gate.
- Wash your hands as soon as possible after leaving the courts.

There will be no outhouse or washroom facilities on the premises this year.
